WORK EXPERIENCE

Descorp Inc.

Brand Management Intern

Makati City, NCR

January to April 2026

- Conducted competitive and consumer research across beauty and e-commerce, analyzing competitor social content, pricing, product claims, customer reviews, retail listings, and category trends.
- Synthesized research insights to support Beauty of Joseon's campaign introducing its Daily Tinted Fluid Sunscreen.
- Developed 20+ social-media concepts and campaign-messaging directions across five beauty brands — with primary contributions to QUICKFX, Versus, and Alchemy, and campaign support for Beauty of Joseon and Dr. Jart+.
- Produced and edited short-form social content, including guerrilla interviews, product visuals, B-roll, voiceovers, and campaign assets.
- Supported BeautyCon consumer-engagement activities through product sampling, demonstrations, surveys, sales assistance, and sign-ups.
- Assisted BINI Cosmetics × Puregold activation operations, verifying participant receipts for gift collection and supporting the BINI photo-op experience.

Vey Marketing Corp.

Digital Marketing & Operations Consultant

Makati City, NCR

2021 to present

- Built a product landing page using UX/UI principles to support the company's digital product presentation.
- Designed and implemented a Google Workspace file-management system for a four-person team, reducing typical file-search time.
- Standardized shared-file organization and access workflows in Google Workspace, improving day-to-day information accessibility.
